SNOW REMOVAL SERVICE

Call owner Julie VandenBout today for a free estimate

2025-2026 Snow Removal Services Include:

- **15 plows per season.** Includes clearing drive approaches after heavy accumulation when plugged by city plows.**
**(\$15.00 per time after 15th occurrence billed in April 2025)
- **6 inches or more equals 2 times plowing.**
- **We plow once in a 24 hour period after 2 (or more) inches of normal accumulation, between 12 midnight and 7 a.m.**
- **Our 2025-2026 seasonal rate covers you from: November 15, 2025 - April 1, 2026.**
- **We return in the spring** to repair any yard damage, due to thawing and freezing, at no extra charge. **We will not be held accountable for** damage to sprinkler heads/systems, or underground wiring.
- **We use the most up-to-date, well-maintained equipment** for snow removal. However, due to varied weather conditions, a **slip-free surface** is not guaranteed.
- **Our drivers and equipments are city licensed & commercially insured.**
- **We accept full payments which are contractual** for the entire season, non-refundable.
- *Calls for snowplowing requests that are less than 2 inches will be charged an additional service fee.*

**Price discount only valid until
October 1st, 2025
